Sent to the Registrar

The 1st 2 Serials could not in the natural course be Recorded as the case was a clear Suspend one It was however marked for B Record and before they were stitched into a B cover, the Reply to the Suspend Case was Received and so I continued the Note, of course with the Supdts permission I also well remember to have told the B Recorder of the above action

Submitted The first two Sls had been recorded when the 3rd Sl was received from the Assistant to the Resident The case worker preferred to form one collection of all the serials 1 to 4 and obtained the Supdts promission to do so but omitted to take leave the current absence of Sl ers 1 & 2 as he was told to do Hence the mistake which can now be rectified by ~~removing~~ putting Sls 1 & 2 in B cover and filing the remaining Sls 3 & 4

Gunapathy Iyer explains that the filed collection was prepared not by him but by Mr Subramanyam and that latter has been told to be more careful hereafter
